

## ISROCast (ISRO dataCasting)

## http://mosdac.gov.in/isrocast.xml

Inaugurated on 18-NOV-2016 by Sh. A.S. Kiran Kumar Secretary DOS/Chairman ISRO

In Presence of Sh. Tapan Misra Director SAC

# ISROCast (ISRO dataCasting)

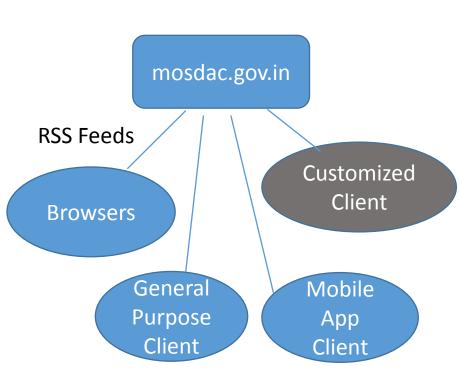

### **ISROCast**

#### Features

- Uses RSS (Rich Site Summary) based technology for dissemination of Satellite Images and Data Products to end users on Internet
- Allow Users to subscribe to these feeds automatically and get notified for availability of new data sets
- Feed subscription is supported by Standard browsers and on RSS readers available on Mobile Apps
- Enhanced Features specific to Satellite Data are Planned in Customized Client, supporting automated download, analysis and visualization of data
- Currently SCATSAT-1 High Resolution Products are available, soon more products are planned to be added
