Gujarat Science City in Ahmedabad has a diversified platform that sparks interest in Science amongst public at large. On 20th July, 2022 - International Moon Day with the Theme, "Lunar Exploration, Coordination & Sustainability" was celebrated by SAC and DECU in association with GUJCOST and GUJARAT COUNCIL OF SCIENCE CITY, AHMEDABAD. The competitions included – Essay writing, Poetry writing, Elocution and Quiz competition. . Around 250 students from Adani Vidhya Vihar and a few other schools enthusiastically participated in all the events.

Poetry, Essay and Elocution competitions displayed the mastery and knowledge of the young minds in different languages and their eloquent presentations. Quiz Competition was equally competitive as the questions were based on - the life and events of Dr. Vikram Sarabhai and Space technology.

An insightful presentation on "Optical cameras developed by SAC for India's Moon exploration mission " delivered by Shri Dhruv S Shah- Scientist/SAC-ISRO followed by an informative presentation on "Chandrayaan Data Processing" by Shri Kannan Venkatesh Iyer. The interaction was followed by prize distribution to the winners by our Scientists.

This event offered an opportunity for the students and participants to interact with SAC senior scientists having expertise in different domains of space science.

Glimpses of the Prize distribution activity.

Additionally all day round attractions included-

- Exhibition on Space on Wheels
- PSLV Launching Demonstrations
- Screening of movie on Chandrayan 2 and Space mission
- Experience Walking on the Moon
- Sky observation.
