

2. Screening of Documentaries on Foreign Satellites Launched by PSLV

As part of AKAM, URSC and SAC-DECU were mandated to screen documentaries, on February 15, 2022, about foreign satellites launched by PSLV to commemorate the launch of PSLV C-37 carrying 104 satellites. This event depicted our pride in achieving a world record of placing 104 satellites in orbit in a single launch.

The documentaries, in English & Hindi, shed light on the contribution

of PSLV in international space arena and global space market & took us down the memory lane of our glorious journey of space missions and that of PSLV in placing 342 customer satellites in space from almost 34 foreign countries till date.

The documentaries were screened in hybrid mode from SAC, Ahmedabad, mainly for academia, in co-ordination with Gujarat Council on Science & Technology (GUJCOST), with the support of Indian Society of Remote Sensing Ahmedabad Chapter (ISRS-AC) and Indian Society of Geomatics Ahmedabad Chapter (ISG-AC),

Shri Rajesh Khandelwal, Director, DECU briefed on the documentaries, titled '**PSLV evam videshi upgrah**' & '**PSLV and Foreign Satellites**' in Hindi & English respectively, as DECU played a very vital role in its preparation in co-ordination with SAC & ISRO HQ. Shri Nilesh M. Desai, Director SAC, in his inaugural address, mentioned some of the successful space missions of ISRO's PSLV and also threw insights into the exciting possibilities in space arena for young scientific minds to motivate them in space research and applications. Shri TVS Ram, Deputy Director/MISA, Dr. Parul D Patel, Chairperson, SC-AKAM and Dr. Dhani Ram Rajak, Alt. Chairperson, SC-AKAM also graced the function with their presence.

Azadi Ka Amrit Mahotsav (AKAM)
Celebration of 75th Anniversary of India's Independence
Space Applications Centre (SAC), ISRO, Ahmedabad and
Development & Educational Communication Unit, ISRO, Ahmedabad
in Outreach Coordination with
