HOST:

CO-HOST:

**7-9 May 2025**

**New Delhi, INDIA भारत**

*Reaching New Worlds: A Space Exploration Renaissance*

Organised by International Astronautical Federation (IAF), ISRO and Astronautical Society of India

# ADDRESS BY HON'BLE PRIME MINISTER

## Some Quotes from PM:

- Space is not merely a destination but a declaration of curiosity, courage and collective progress.
- Indian rockets carry more than payloads – they carry the dreams of 1.4 billion Indians.
- India's first human spaceflight mission – Gaganyaan, reflects the nation's growing aspirations in space technology.
- India's space vision is rooted in the ancient philosophy of 'Vasudhaiva Kutumbakam'.
- Many of India's space missions are being led by women scientists.
