“Polarimetric SAR data Processing and Analysis”

Date: 20 -21 December, 2016

Training and Research in Earth Eco-system (TREES)

A Two-day training programme was conducted on **“Polarimetric SAR data processing and analysis”**. The training programme was attended by 21 participants from 12 institutes / organisations from all over country.

Concluding session was Chaired by Honorable Director SAC. He addressed the Audience with inspiring thoughts and guidance for future course of action. The participants also received certificates from Director SAC, Shri Tapan Misra.

The participants highly appreciated the course content and its presentation. The feedback received was encouraging; most of participants wanted to be part of research programme.
