Exp: File-Name should be like

Arvind_Mtech_Mech_9.0_20Weeks_10Aug2022_CSAU_Kanpur.pdf

Subject: SRTD Internship Application

- It is advised to submit your Application well in advance, typically 45 days prior to expected date of start of training, to enable due processing of the application.
- On account of large number of applications received for internship, it may not be possible to accommodate all the applicants. Therefore, the students are advised to identify other organizations also as an alternative, in the event of their application not getting through in the selection process. **In case you have not received any internship selection email before 7 days of the proposed joining date, then your application is not considered this time.**
- A student will be allowed to pursue only one internship per degree. Student shall not undertake any parallel assignment during the period of search/training at SAC.
- SAC will not consider emails containing bulk of student-forms and documents from placement office/Department of any college/university.
- No Fee is charged to the Candidate for Research/Training project. No stipend/ accommodation or any other form of monetary compensation will be provided to the interns.
- Candidate, during the research/training period, shall abide by extant policies and guidelines of DOS/ISRO, as applicable.
- SAC reserves the right to ask for original documents/Application, for verification purpose only.
- SAC reserves the right to terminate the research/ training project at any point, if the candidate is found in violation of rules and regulation at SAC.

I hereby declare that all details furnished by me in this application are true, complete and correct to the best of my knowledge and belief. I understand that in the event of any information being found false, incomplete or incorrect, my candidature is liable to be cancelled.

I have read above instructions and accept terms & conditions mentioned in this form.
